

The studio offers a modern, clean environment for photography and video work. There are three painted walls (white, gray, black) available as backdrops as well as backdrop paper. The studio features a makeup mirror and has direct access to the outside.

Included with general rental are three heavy duty C-Stands (1.5 – 3 metres) on wheels and six sandbags.

Lighting equipment is available for rent together with the studio. There is a set of video lights (fluorescent and LED) and a set of strobe lights with radio triggers.
